REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The applicant has shown that the dyes of the instant application show unexpectedly better heat resistance and moisture resistance when compared to similar dyes in the prior art. The examiner has allowed the claims pertaining to the dyes and to their use in near-infrared light blocking filters because the unexpected properties of the dyes of the instant claims, shown in the affidavit of 11/24/2008 and including a high dye residual ratio (dye retention ratio) at high temperatures, are also recognized as being favorable properties for dyes used in optical recording media.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to ANNA L. VERDERAME whose telephone number is (571)272-6420. The examiner can normally be reached on M-F 8A-4:30P.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Huff can be reached on (571)272-1385. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
